Dear Sara,

Congratulations! The State Library has reviewed your FY2015 continuing education application and has awarded **Federal** funds in the amount of **up to \$1,000.00** for you to attend the 2015 AKLA Conference to be held in Juneau, AK. We are delighted that your library will receive this grant.

The State Library uses federal funds received from the Institute of Museum and Library Services (IMLS) to pay for continuing education grants. Please read the second page in this packet carefully. In order to use IMLS funds to reimburse your continuing education costs, you must attend at least one training session that falls under the topics listed on that form.

Once you have completed your continuing education, you must submit the grant reimbursement form, any required receipts, and your final report about the training you attended. These forms are available at <http://library.state.ak.us/dev/grants.html> You must submit a final report form in order to be reimbursed.

If you have questions or need more information, please call me at 907-465-2458. Once again, congratulations and good luck with your continuing education.

Sincerely,

Julie Niederhauser

Continuing Education Coordinator
