A Memorandum of Agreement was established in 2005 for the eventual transfer of the Garden Terrace Water System from the Borough to the City. The Borough is in the process of upgrading water service lines in the subdivision to meet City Standards before the City takes over the system. The Borough is using the City's engineering contract for water service design and providing the funding for this work. This ordinance provides the final funding amount for engineering design through the City's contract.

RECOMMENDED ACTION: To adopt Ordinance Serial No. 09-11 amending the FY-09 Budget by appropriating \$24,238 in Matanuska-Susitna Borough Funding for the Garden Terrace Subdivision water system.
