Summary Statement: This multi-year contract was advertised on July 12, 2013 through ITB No. 0712-0-2013/AG and awarded to Tew's, Inc. for the initial year of the contract on August 12, 2013. This is the fourth year of a 5 year contract for on-call equipment rental contract with operator for road maintenance and water/sewer repairs and other work where the work is paid by the hour as directed by public works department.

The Road Maintenance portion of the contract is part of the City's routine road maintenance program for grading, sweeping, ditching, and snow removal. The water and sewer utility work is described in the attached project detail sheets.

The Menard Center portion of the contract provides for on-call parking lot maintenance for snow removal, sanding and sweeping.

The Airport Apron Improvements portion of the contract will provide excavation services to construct a new gravel access road to the gravel apron area at the north east portion of the runway.

The Riley Avenue Extension portion of the contract will provide excavating services to construct a pioneer road connecting Riley Avenue to Endeavor Street.

Staff Recommendation: Adopt AM No. 16-20.

Project Title: Septic Tank Replacement Project Description: Replace failing septic tanks	Project Number: (Assigned By Finance Department)
Department/Div.: Public Works/Sewer Utility	Ranking: (Assigned By Administration)
Project Narrative: The sewer utility relys on individual septic tanks as part of the sewage collection system. These tanks need to be replaced when they have rusted through or collapsed. This is an annual program to replace septic tanks as needed for residential and commercial sewer connections.

Project Title:	Apron Improvements	
Project Description:	Improve Airport Apron and Access	_
Department/Div.:	Public Works/Airport	

Project Narrative:

Fry 2017 improvements include constructing an access road to the northeast apron area, and gas and electrical services to new lease lots in the southwest apron area. FY2018 work will include improvements to the northeast apron arrea to run power and paving the access road. FY2019 -2021 funding will be used to continue incremental improvements to the apron areas to support the development of lease lots and aircraft tie downs.

Impact on Operating Budget:

Fiscal impacts for this project is already encompassed within budget. The expansion for utilities is directly offset by the lease holders paying for the utility cost. Any paving or road upgrades is already budgeted for within the fund and should not change.
