SUMMARY STATEMENT: The Crusey Street Improvement project was completed with the City participating 5 percent towards all project costs. In 2006, the City appropriated funding for both Lucus Road and Crusey Street Improvements to meet the 5 percent match requirement. The Lucus Road project has been delayed due to a lack of Federal funding and it is not expected to begin before 2014. Therefore, the Administration is proposing the transfer of funds from the Lucus Road project to the Crusey Street project to meet the current billing requirements from the Alaska Department of Transportation and Public Facilities. Resolution Serial No. 09-05 was adopted to transfer the funds on January 12, 2009, however, an ordinance is needed for this type of transaction and the resolution will be repealed with this ordinance.

RECOMMENDED ACTION: To adopt Ordinance Serial No. 09-19 that transfers funds in the amount of \$52,000 for Crusey Street Improvements and repeals Resolution Serial No. 09-05.
