**Summary Statement:** This project is proposed to install up to 100 markers in the city cemetery for unmarked graves. Up until last year, the price for a grave plot did not include the price for a marker or headstone and the family was responsible for marking gave. Now, the cost for a grave plot includes one small flat grave marker with inscription to include name, date of birth and date of death.

The cemetery has approximately 100 unmarked graves as a result of years of grave plots being used with no monuments ever being installed. The administration is proposing this project to mark the unmarked graves in the cemetery with a 16-inch by 8-inch engraved flat granite paver at a cost of \$100 each.

**Staff Recommendation:** Adopt Ordinance Serial No. 16-26.
