**Attachments:** Bid Information (4 pages)

**Summary Statement:** A solicitation was made on March 2, 2018 through Invitation to Bid No. 0302-2-2018/AG. The Public Works Department is seeking to purchase one (1) MMA Pavement Marking Machine used for installing semi-permanent pavement markings. The City received one bid for this equipment purchase from Epic Solutions. This machine is designed to apply methyl methacrylate paint into grooved pavement that remains in placed year after year against snow plowing operations.

The Public Works Department has experimented with this technology on some downtown intersection cross-walk stripping using handheld equipment with great success. This MMA machine will help the department expand this program to all downtown intersections.

**Staff Recommendation:** Adopt AM No. 18-06.
