Summary Statement: The Sewer Department is seeking to refurbish its 2001 International 3,500-gallon vacuum truck tank system to include all labor, equipment, and materials. This includes removal of the existing tank and pump system, blast and paint chassis from cab back, including under cab tanks and steps, supply new tanks complete with hose trays, manways, heated level valves, and new lighting. Replace vacuum pump, primary and secondary shut-off's, piping hose and fittings. The following bid was received on February 14, 2019 through the City's Invitation to Bid No. ITB-0128-0-2019/AG:

Bob's Services, Inc. \$56,050

This is within the Department's planned budget of \$60,000 as part of the FY2019 capital improvement program for this project, and it maintains a second vacuum pumper truck for the Sewer Department.
