Summary Statement: This resolution is proposed to transfer funds within an accounting fund for temporary employee wages. The parks department proposed the use of janitorial services for cleaning parks restrooms in this year's budget to make better use of temporary employees for parks maintenance. The move to janitorial services this fiscal year did not realize the benefits to the budget in 2018, and the parks department is proposing to return to temporary employees for this service for the remainder of the fiscal year and in future fiscal years.

Recommended Action: Adopt resolution.
