**Summary Statement:** This is an extension of the FY2020 Equipment Rental with Operator contract awarded to Big Dipper Construction through Action Memorandum No. 19-20. This work includes removing a portion of the fence line and constructing 600 feet of access road along the adjacent Mat-Su School District ballfield property. The fence will be subsequently relocated along the new access road through the Collins Construction contract for the New Police Station. This access is intended to be a private access for police vehicles only and serve as an exit east for the school district when the ballfields are being used for tournaments.

**Staff Recommendation:** Approve contract amendment to Big Dipper Construction in the amount of \$54,404 for the New Wasilla Police Station secondary access road.
