Ordinance Serial No. 09-62 (1 p)

SUMMARY STATEMENT: Wasilla Library was awarded \$3,000 from Target for the 2010 Summer Reading Program. The Summer Reading Program is a motivational reading program encouraging youth aged, birth-eighteen, to read throughout the summer, maintaining reading skills. This program, which encourages recreational reading, fosters a love of reading by turning it into something rewarding, as opposed to a chore. Through programming and library staff encouragement, children are helped to find books that they really want to read, instead of being told what to read. Program participants are expected to read a minimum of eight books per week or complete two hours of weekly reading. The \$3,000 will be used to purchase reading incentive prizes.

STAFF RECOMMENDATION: Approve the adoption of this ordinance which accepts and appropriates \$3,000 from Target to the Wasilla Public Library.
