**Summary Statement:** Pursuant to WMC 4.20.035, the City Clerk designates early voting locations for City elections.

Due to the COVID-19 pandemic in 2020, early voting was relocated from the Alaska Division of Elections (DOE) Mat-Su Office to City Hall because there was not enough space to social distance.

The relocation proved positive from a logistical perspective, and positive feedback was received from the public. As such, effective 2021, Wasilla City Hall will serve as the City's only Early In-Person Voting location.
