REVIEWED BY MAYOR VERNE E. RUPRIGHT: 

FISCAL IMPACT: yes \$18,000 or no Funds Available yes no

Account name/no: Equipment 270-4210-426.70-40 \$18,000

Attachments: Ordinance Serial No. 09-65 (1 p)

SUMMARY STATEMENT: Appropriation of funds in the amount of \$18,000 received from the State of Alaska Asset Forfeiture fund to be used for the purchase of 16 printers, 15 barcode scanners, associated mounting brackets and the installation of said equipment into patrol vehicles. This equipment will be used for electronic production, digital storage and transmission of uniform traffic citation and traffic crash reporting forms in the field, using the "Traffic and Criminal Software" (TraCS) program provided by and in cooperation with Alaska Highway Safety Office and the Alaska Association of Chiefs of Police.

TraCS provides field officers with electronic Citation and Crash Reporting forms. Officers scan licenses and registrations to quickly add accurate data to TraCS forms, running on their laptop computer. Common data, such as Individuals, Vehicles, Commercial Carriers, and Location are easily inserted wherever needed in all forms. Automatic location mapping and crash scene diagramming tools also speed up incident reporting.

Wasilla PD has a strong commitment to highway safety and enjoys a positive working relationship with the AHSO. The department's commitment and continued contribution to the department's traffic safety and enforcement efforts and in developing TraCS in Alaska, furthers our good relations with Alaska Highway Safety.

Staff Recommendation: Amend the FY10 police department budget to appropriate funds from the State of Alaska Asset forfeiture fund for the purchase and installation of the TraCS operational hardware in Wasilla police vehicles in the amount of \$18,000.
