Summary Statement: This contract award is based on Wasilla Municipal Code 5.08.140 Sole Source Procurement as this attachment is a custom built water tank system designed specific for the City's dump truck with the Henderson dump body. This water tank system replaces the City's 1975 water truck that was recently sold during surplus auction. The water tank system is used for washing paved roads and for dust control on gravels roads.

Staff Recommendation: Approve the Action Memorandum.
