**Account name/number/amount:**

Construction Services/ARPA NEU Water 320.4369.436.45.72 \$1,102,867

**Attachments:** Bid Tabulation Sheet (1 page)

**Summary Statement:** This project was advertised on July 22, 2022 in accordance with Wasilla Municipal Code (WMC) 5.08.120, with Invitation to Bid 0722-0-2022/AD for the Richmond Hills Booster Station Project. Bids were received from Big Dipper Construction and Orion Construction.

The scope of work includes furnishing and installing an insulated concrete form block building, mechanical, interior and exterior water piping, interior and exterior valves, and all related appurtenances; site work includes building pad preparation, concrete generator pad, storm drain infiltration pit, asphalt paving, and chain-link fencing; coordination for installation of new electric service; connection to the existing water mains; installing owner-furnished booster pumping system and owner-furnished standby generator; and coordination with Early Package vendors providing these components. Work also includes demolition of chain link fencing, asphalt pavement, disposal of unusable soils, traffic control within public rights-of-way, and other miscellaneous items of work.

Big Dipper Construction provided the lowest responsive bid and is being recommended for contract award.

**Staff Recommendation:** Approve the Action Memorandum 22-28.
