## **COMMUNITY GRANT PROGRAM**

### Overview

#### Purpose

The City Council has established a temporary Community Grant Program (CGP) to allow non-profit organizations the opportunity to request financial support from the City for programs that provide services that contribute to the health, welfare, and overall quality of life for Wasilla's most vulnerable populations specifically senior citizens, youth, and those experiencing economic hardship. (WMC 5.24.010(C))

#### Funding

The City Council is responsible for funding the Community Grant Program. The intent is to fund a non-recurring grant program to expire on December 31, 2022. The funding recommendations may be less than the grant request and may be adjusted by the Council.

Upon receipt of the Committee's recommendations, the Council will make a final determination regarding the distribution, if any, of grant funds. Council action will be by Action Memorandum (AM). In making their final determination, the Council may make amendments to the recommendations of the Committee, including, but not limited to, amending the recommended amounts, and/or imposing limitations or special conditions that will appear in the grant agreement.

This program does not create any right to any award of

funds under the program or any right of action regarding the award of such funds. The decision whether or not to award funds and the amount of funds awarded is in the sole discretion of the Committee as approved or denied by City Council.

All approved grant awardees shall maintain detailed documentation of the expenditures made with the grant funds. In addition to the requirement to submit the documentation at the completion of the grant, awardees shall make the documentation available to the Finance Department upon request. Awardees who fail to maintain such documentation or to provide documentation upon request shall be required to return all funds.

The original search was limited to entities with a Palmer and Wasilla mailing address. Certain other 501(C)3 entities with Anchorage mailing addresses, but currently licensed with the City of Wasilla, were also included. It is not intended to be a fully exhaustive list, nor does it indicate that the entity is currently licensed with the City. The list is intended to provide general information as to entities that meet the criteria for organization type and may potentially qualify as a recipient under the proposed non-recurring grant program in Ordinance Serial No. 22-28.
