IMPORTANT INFORMATION FOR PARK USERS

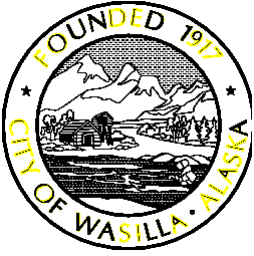

The City of Wasilla requests that you bag and remove your own trash from the park at the close of your function. There are restrooms at all parks except Lake Lucile Park which has outhouses. Ample parking is available at all City of Wasilla Parks. Vehicles are to be within the designated parking areas only. **NO VEHICLES ARE ALLOWED IN THE PARKS.** Person found in violation of this could be subject to a \$250.00 fine pursuant to WMC 12.24.25. There is potable water at Lake Lucile Park.

I/we hereby agree to comply with all park use rules and agree to leave the park clean and in a condition equal to or better than before our use. We further agree to hold the City of Wasilla harmless as a result of our use of this public facility.

PARKS RULES

No person may cut, pick or damage trees, flowers or other vegetation.

No person may camp without a permit in a designated area.

No person may have an open fire or camp stove unless in a designated area.

No person may possess or consume any alcoholic beverage without a permit.

Animals need to be on a leash or under restraint and feces removed.

No person may deposit litter, waste, or wastewater on the land or in the water.

No person may sell goods or services without a vendor permit.

No motorized vehicles allowed.

Park hours are from 8:00 am to 10:00 pm unless extended by permit.

Park Use Permits can be processed in 2 working days, when all the required information is provided, and are approved on a first come, first serve basis. The intent of a park use permit, for pavilions, is to designate a time and place for small events, but the permit DOES NOT provide exclusive access to the pavilion. Iditapark, Newcomb Park, Nunley Park, and Carter Park users are intended to share facilities as needed to accommodate multiple users. Lake Lucile facilities, that are paid for, DO provide exclusive access to the permit holder.

Park hours are from 8:00 am to 10:00 pm and park users are expected to control or limit loud noises in the morning and evening hours when neighboring private property can be affected. The City's goal is to ensure park use is safe and fun for all users and surrounding properties.
