Kristie L. Smithers
Wasilla City Clerk
Wasilla, Alaska 99654-7091

Dear Ms. Smithers,

I'm interested in being appointed to the City Planning Commission or the Parks and Recreation Commission. My first preference is the City Planning Commission.

I have been a resident of Alaska since 1959. I was raised in Houston, however, I attended elementary school in Wasilla and later Willow. I'm a Palmer High School graduate and I have had some college.

I'm a Navy and Alaska Air National Guard veteran. I'm a retired Alaska State Trooper and I'm currently working as a Court Security Officer at the Federal Courthouse in Anchorage.

My past and current professions have provided me with extensive leadership training and experience. When I was a Trooper I obtained experience dealing with various community groups and a numerous other agencies. I have also had extensive experience in interpreting statues and policies, and applying them to different situations and investigations. I have strong organizational skills, I work well with the public and I have good people skills.

I'm currently not familiar with the City of Wasilla's municipal code. However, because of my interest in these commissions and possibly a City Council seat at sometime in the future I intend to obtain a copy of the municipal code and familiarize myself.

I believe I would be an asset to one of these commissions. Your consideration is appreciated and I look forward to hearing from you.

Sincerely,

Steven C. DeHart

To Whom It May Concern:

I noticed there was a vacancy on the Airport Advisory Commission board and am very interested in serving as a member of the board. I do not have any professional experience with these matters, but, I am a student in the UAA Aviation Technology program in my junior year. I have taken many formal classes that are related to aviation and airports and safety matters. I have taken all ground school courses from private pilot through airline transport pilot, and I have earned my private pilot license and instrument rating. I have personally landed at the Wasilla Airport hundreds of times, and have been to many other airports also. I feel that I have acquired enough knowledge of how an airport should be, and have had ideas on how to make them better. I would be honored to have a seat on the board and be able to learn from the other aviation professionals on the board and be able to serve in a city government capacity.

I appreciate you considering me.

Sincerely,

Joseph L. Bond
