one from an election official's point of view. She is unable to work as an election official during a MSB election, so she has asked to work as an election official during the City of Wasilla's Special Election on February 7, 2012. I am respectfully requesting the approval of Ms. Newman as an election official for the upcoming special election as her insight in to the process will help benefit all three of the cities and the Borough with planning future elections.
