 8. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this paragraph survive termination:
 9. The parties shall account for and properly present to each other all claims for fees and expenses and pay those that are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

In the event of a breach, the party asserting breach may, in addition to any remedies or rights afforded by Alaska law, cancel the Contract with respect to any executory obligations. Penalties provided under Alaska law shall be limited to those in effect on the effective date of the Contract. Either party, as a prevailing party to any arbitration or other action regarding the enforcement of the Contract, is entitled to reasonable attorney fees and costs. 8. **ASSIGNMENT/DELEGATION:** To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by City, such offending portion of the assignment shall be void, and shall be a breach of this Contract. No duties of either party may be delegated without written consent by the other party, and any such consent does not in any way affect the liability of the delegating party, unless the writing so states.
9. **FORCE MAJEURE:** Contractor shall not be liable for any delay in delivery or failure to deliver any or all of the goods where the delay or failure is caused by labor troubles, strikes, lockouts, war, riots, insurrection, civil commotion, failure of crops or supplies from ordinary sources, earthquake, fire, flood, storm, accident, any act of God or any other cause beyond the control of Contractor. City shall not be liable for failure to take delivery of the goods where any of the above causes prevent carrier or City from accepting delivery. Performance by the other party shall be suspended and excused during the period of any such delay or failure and performance shall resume as soon as possible after removal of the excuse.
