

WASILLA PARKS AND RECREATION COMMISSION

RESOLUTION 96-01

Whereas, the City of Wasilla owns an approximately 32 acre parcel of land in the City center area,

Whereas, this parcel has served as the location of the Iditarod restart,

Whereas, this parcel is the location of the Wasilla Wonderland Playground,

Whereas, this parcel is the designated location for the future Wasilla Skateboard park,

Whereas, the current, nearly complete design for this site does not allow for any major structures,

And finally, whereas the intent of the Wasilla Parks and Recreation Commission is to maintain this property as community greenspace and family oriented activities,

Be it therefore resolved by the Wasilla Parks and Recreation Commission that no new structures with a peak height higher than 15 feet, fully enclosed, or more than 40 feet by 80 feet will be authorized at this site.

I certify that a resolution in substantially the above form was passed unanimously at a duly called and conducted meeting of the Wasilla Parks and Recreation Commission 12th day of November 1996.
