Summary Statement: The Wasilla Public Library applied for a Local Community Contribution grant from WalMart via the WalMart Foundation's online application. Monies were requested to purchase items for the library's loaning collection to promote literacy and learning for the 0-12 age group.

The \$1,000 grant from WalMart will help keep the library collection relevant and updated, and allow the purchase of current bestseller materials which means the library will have the items which youth want to borrow and will use to increase their reading habits, literacy, and education.

Staff Recommendation: Introduce and set for public hearing Ordinance Serial No. 13-22.
