COUNCIL MEMORANDUM NO. 92-95

From: Mayor Stein

Date: August 20, 1992

Subject: Reconsideration of Sewer Engineering

At the last meeting a motion "to approve increasing the amount (for sewer engineering) by \$9,216 for E & O insurance for Polarconsult and increase the total contract by \$24,216 for a total of \$105,694" failed 3-2 with Mr. Carson and Mrs. Cottle voting in favor. Mr. McCarthy asked for reconsideration at the August 24 meeting.

A motion "to reconsider the move to increase sewer engineering costs from the last meeting" should be made. If approved, the original motion, above, will be on the table for discussion and a new vote. If the motion "to reconsider" fails, the original action stands.

John C. Stein, Mayor
