COUNCIL MEMORANDUM NO. 92-98

To: Council
From: Deputy Administrator
Date: September 2, 1992
Subject: Water Service for Alano Club

Last year Council authorized payment of the Alano Club water bill from Council Contingency. The usual monthly bill is in the range of \$25.00 per month.

The attached letter from the Alano Club again requests Council to provide water service. If Council approves the request, we recommend that the payment be made from Council Contingency through June, 1993 and include authorization for the past due water bills for July and August.

Honorable mayor Stein & Esteemed Council Members

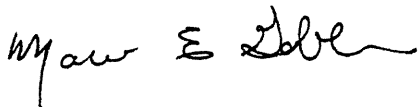

As you may remember I approached the city council last year on behalf of the Mat-Su Alano Club, concerning free water and sewer for our building and you responded in a very positive manner. Shortly after that, in fact it was Oct. 1, 1991, we purchased our own building on the corner of Fishhook and Snohomish Avenue, where we use only city water so far.

As you are all aware the unemployment in the valley is very high. We are just managing to scrape by with our payment, insurance, taxes and other utilities. If you as council members and guiding members of our community could possibly donate at least another year of water service to our building it would help us keep our doors open. In so doing we will provide a safe house which is clean and sober to help our members learn to live in recovery in the community.

We are a non-profit corporation and our sole purpose is to furnish rooms for meetings of people in recovery. It may be A.A., N.A., O.A. etc. but it is for people in 12 step recovery of all kinds. At present we are hosting about 30 meetings a week.

Thank-you very much for your time and consideration.

Respectfully,

Marvin E. Goble
Treasurer Mat-Su Alano Club
