### COUNCIL MEMORANDUM

NO. 92-123

**FROM:** City Clerk *egm*

**DATE:** October 28, 1992

**SUBJECT:** Business License/Sales Tax

We believe that most of the remaining language of Section 6.50.130 should be moved to Chapter 9.04 (Business Licenses) so that everything pertaining to business licenses is in one area of the Code. This would leave just a reference to business licenses in the Sales Tax Code.

The Code sections would read as follows after adoption of Ordinance Serial No. 92-40:

#### Sales Tax Code

6.50.130 Business License - Required. All sellers shall secure a City Business License as otherwise required in Chapter 9.04 of this Code in connection with doing business in the City.

#### Business License Code

##### 9.04.010 License Requirements

A. For the privilege of engaging in business in the City of Wasilla, a person shall first apply to do so, and pay the license fee provided in §.040 of this chapter. A license issued to a firm for a particular line of business covers all its operations in the City of Wasilla in the line of business regardless of the number of its establishments.

B. The City business license must be prominently displayed at the place of business of every seller; any seller who has no regular place of business shall display such license upon request. Any such license must be at the location named in said license. If the business is continued at the same location but there is a change in its form of organization, such as from a single proprietorship to a partnership or a corporation, the admission or withdrawal of a partner, or any other change, the seller making such change shall surrender his old City business license to the City for cancellation. The successor seller is required to file a new application for a City business license, and, upon receipt of a proper application properly executed, a new City business license will be issued to such successor seller. When there is a change of location for the seller's place of business, a new business license is required showing the new address. (Ord. W76-L-1 §1, 1976)

9.04.020 Renewal and Duration

A. Application for renewal of a license and payment of the initial fee shall be made before February 1 of each year.

B. No license may be issued for a period extending beyond the end of the calendar year in which it is issued.

C. Before renewing a business license to a seller, the City may require the applicant to post a bond, furnish a statement of net worth, or furnish additional security to insure the full and prompt payment of sales taxes to be collected under chapter 6.50 when in the judgement of the City Mayor or Manger it is in the interest of the City to do so. The Business license of any seller is automatically suspended when such seller fails to remit delinquent sales taxes, penalty and interest within thirty days after notice of delinquency is given or mailed. It is unlawful for a seller to engage in sales without a current City business license or to engage in sales when such license is suspended. (Ord. W76-L-1 §2 & 3 1976: Ord. 92-40 §3 1992)

9.04.030 Regulatory Provisions

A person engaging in a business subject to licensing provisions of a regulatory nature must, in addition to filing a regular application required by this chapter, comply with any other or additional regulatory provisions before being entitled to a license. (Ord. W76-L-1 §4 1976)
