**SUMMARY STATEMENT:** The original grant application requested \$724,500 in municipal matching grant funds in accordance with the 50 percent matching requirement for the Mission Hills Water Main Extension Project. Subsequently, the Legislature amended the municipal matching grant program by reducing the match requirement to 25 percent for small communities and adding funding to the program. This resulted in the City receiving \$237,650 of additional municipal grant funds for this project. This ordinance amends the FY09 budget to reflect the increase.

**RECOMMENDED ACTION:** To adopt Ordinance Serial No. 09-01 amending the FY-09 Budget by appropriating \$237,650 in Alaska Department of Environmental Conservation Municipal Grant funds for the Mission Hills Water Main Extension Project.
