Fiscal Impact: yes \$95,000

Account name/number: Cemetery Fund/410-0000-253-20-00

Attachments: Project Descriptions (4 pages)

Summary Statement: This ordinance amends the FY2014 budget by appropriating \$95,000 from the Cemetery Fund for capital improvements at the city cemetery as follows:

- 1) Columbarium Phase 1- this will provide the cemetery with its initial columbarium to support ongoing use of the cemetery as there are only 16 burial lots remaining for purchase. Proceeds from the sale of columbarium units will be set aside in the cemetery fund for additional phases of the columbarium.
- 2) Road Paving - this will provide paving of the upper cemetery looped driveway to match paving previously completed in the lower section.
- 3) Sign & Fencing - this will provide for a new sign at the entrance of the cemetery that will be more visible from Fishhook Road; and this will provide for new fencing along Aspen Avenue that is in a state of disrepair.

Recommended Action: Adopt Ordinance Serial No. 14-06.

A **columbarium** is a place for the respectful and usually public storage of cinerary urns (i.e. urns holding a deceased's cremated remains). The term comes from the Latin *columba* (dove) and originally referred to compartmentalized housing for doves and pigeons called a dovecote.
